

## National Safety Science Quiz 2014

National Council of Science Museums, a premier institution involved in popularizing science through informal mode, in partnership with UL India a premier Safety Science Company is organising **National Safety Science Quiz 2014** for school students during August-October 2014 to inspire the young minds for a safer India. This is the first time that a quiz on Safety Science is being conducted at national level and is aimed to have an immense educational and experiential impact. This quiz is aimed at instilling a greater awareness on the need for safety amongst school children and will look to spread the message through safety education across the country.

This unique quiz would revolve around topics like **Electrical, Fire, Road, Environment and Food safety** that are relevant in our day to day lives. The preliminary round of written test-will be held at five major cities – Delhi, Mumbai, Kolkata, Chennai and Bangalore. Each participating school can send up to a maximum of 20 students from class IX to class XII. The entries shall be restricted to 1000 students per city for the written test and shall be on first come first serve basis. The written test will be held on Sunday the **21<sup>st</sup> September 2014** at 11a.m simultaneously in all the five cities. The **top six students** from **each of the five cities** will be invited to participate for further rounds to the Visvesvaraya Industrial and Technological Museum (VITM), Bangalore in the last week of October 2014.

Registration for the written test will be done **online**. The hard copy of the entry form in the prescribed format, duly signed by the Head of the institution of the participating school including authentication of the photographs of the participant should be sent by post to reach **Visvesvaraya Industrial & Technological Museum, Kasturba Road, Bangalore 560001** on or before **4<sup>th</sup> September 2014**.
